Fire Department Inspections

Dear Residents,

Our annual inspections by the Mt Pleasant fire department are scheduled for Friday 5/2/2025 and Wednesday 5/14/2025.

ALL apartments will be inspected. We are not sure what buildings will be done first or last, this is at the fire department's discretion.

During this inspection they will be checking the smoke detectors, Co2 detectors, windows, doors, appliances and the overall sanitation and cleanliness of the units.

This is mandatory for all rental housing in the city of Mt Pleasant, all units must be accessible. If you have a dog, please ensure that they are kenneled or out of the unit at the time of the inspection.

Thank you for your cooperation!
