Subject: Immediate Request for Copy of Inspection Report

I am writing to formally request a copy of the inspection report for Canterbury East Apartments, located at 1517 Canterbury Trail, Mount Pleasant, MI. The inspection was conducted recently, but I have not received any documentation regarding its findings.

Under Michigan's Freedom of Information Act (MCL 15.231 et seq.), inspection reports are public records, and I am entitled to receive a copy. Please provide the full inspection report and any related notes within seven (7) days of this email.

Failure to comply with this request will result in a formal FOIA complaint and escalation to the Michigan Attorney General's Office for enforcement.

Please confirm receipt of this request and advise when the report will be delivered.

Thank you for your prompt attention to this matter.

Sincerely,

Jacob Palasek
