**Request for First Class Mail Delivery**

**I request that the Michigan Department of Civil Rights send all documents to me via first-class mail to the address I provided.** I understand I should receive first-class mail within ten days after it is mailed.

I am aware that Michigan Civil Rights Commission Rules may require sending me certified mail, return receipt requested. However, this type of mailing requires someone be present to sign for the mail at the time of delivery. For my convenience, I waive certified mailings and request documents be sent to me by first-class mail to the address I have identified.

I understand that if I change my mind, I will notify the Michigan Department of Civil Rights in writing to send required documents by certified mail, return receipt requested. The MDCR will notify me in writing when this change has been processed.

**By signing and returning this Request to the Michigan Department of Civil Rights, I agree to receive my mail by first-class mail.**
